Game number 1: Blackjack

Blackjack is one of the most popular card games. The rule is not to complicate and very interesting.

First of all, player need to draw 2 cards from the deck. If the total hand value of the player is less than 16. Player need to draw more card. The goal of this game is to get the total hand closer to 21 as much as possible.

```
which game ? : 1
-----
Let's play blackjack

Player Hand : Queen♦ Ace♥
Computer hand : King♦
Computer hand: King♦ 4♦ 10♠

----- Result -----
Computer hand : 24
Player hand   : 21
You win!

#####

Play a new round: |
```

The target is to get close to 21 as much as possible

Play a new round: **yes**
Let's play blackjack

Player Hand : 6♥ 10♦
Computer hand : 8♣

Draw more card or stay the
choice is your !!!

More card?(yes or no) : |

Play a new round: **yes**
Let's play blackjack

Player Hand : 5♦ 2♣
Computer hand : 7♠

If your total hand is less than 16.
You have no choice but draw more

**** Your card is less than 16
you need to draw more card. Do you want to continue(yes/no) :
